|                 |               |
|-----------------|---------------|
| Brand           | DE DIETRICH   |
| Commercial code | DKV4530H      |
| EAN code        | 3660767992467 |
| Customs code    | 85166080      |

### FEATURES

|                          |                           |
|--------------------------|---------------------------|
| Construction type        | Built-in                  |
| Energy type              | Electric                  |
| Cooking mode             | Steam                     |
| Type of cavity cleaning  | Manual                    |
| Colour                   | Heritage black and copper |
| Programmer name          | White LCD screen          |
| Number of knobs          | 1                         |
| Inner door type          | With shield               |
| Door opening             | Drop-down                 |
| Volume of water tank (L) | 1L                        |

### CONNECTIVITY

|                   |    |
|-------------------|----|
| Connectivity      | No |
| Connectivity type |    |
| Features          |    |

### PERFORMANCE

|                                            |                 |
|--------------------------------------------|-----------------|
| Energy Efficiency Index (EEI) (kWh)        |                 |
| Energy efficiency class                    |                 |
| Conventional energy consumption (kWh)      | 0               |
| Forced convection energy consumption (kWh) | 0               |
| Grill power                                |                 |
| Standby consumption (W)                    | 0.8             |
| Stand by consumption connected mode (W)    |                 |
| Cavity capacity (L)                        | 29              |
| Dimensions of the cavity HxWxD (mm)        | 220X390X330     |
| Cavity materials                           | Stainless steel |
| Door opening light                         | Yes             |

## Product highlights

**Auto Mode** Auto Mode is capable of controlling the oven and programming a multitude of dishes. Depending on the recipe selected, the oven will automatically suggest the best way to cook your dish for an excellent result.

**Diamond Selector** The navigation selector, delicate, tactile and ergonomic, of exclusive design provides unparalleled fluidity of movement for ultimate precision adjustments, thus sublimating excellence.

**Removable and independent tank** This practical solution means there is no need for an external water
