

De Dietrich

Wine cellar

Ref.: DIW28FB

Product highlights

Front panel touch controls Thanks to the touch buttons, no need to open your wine cellar to manage it. The white LED digital display offers an elegant design and precise information. You can also illuminate your cellar without opening the door to showcase your wine collection.

Push to open door The door is equipped with an electronic "push-to-open" system that allows you to open and close it gently and conveniently at the touch of a button.

Alveolar shelf In addition to the anti-tilt and removable shelf system that ensures the stability and safety of your bottles, their alveolar design offers unmatched ergonomic storage and ease of use.
